Atollo Project
Breaking barriers through education

Breaking Barriers through Education Conference

Dear {{ contact.FIRSTNAME }},

Thank you for registering for the Breaking Barriers through Education Conference. We are delighted that you will be joining us for this important event. This conference will be a special opportunity to come together to celebrate the work of the Atollo Project, share insights, and look ahead to the future of inclusive and accessible digital education for learners with special educational needs.

As we will be welcoming both in-person and online participants, we will follow up closer to the event with practical details based on your selected attendance type. This will include everything you need to take part smoothly. In the meantime, you
can also meet some of the speakers joining us in Pula here: Meet the Speakers

We would also be very grateful if you could share the conference details with your own network, particularly with colleagues, educators, organisations, and

stakeholders who may be interested in inclusive education, digital learning, and support for learners with special educational needs.

We look forward to welcoming you.
Kind regards,
The Atollo Project Team
